

With Cherry Blossom

Invitation to

The Spring Tea Ceremony

Long-awaited spring has finally come to Hokkaido. Although there are many beautiful sight spots for cherry blossoms, Nakafurano Shrine also brings visitors and locals the beauty of nature each year.

Through the kindness of hosting by Nakafurano Shrine, we hold the annual Spring Tea Ceremony.

Since the spring air may be still cool to stay outside, this year's event will be inside of the shrine office again for you to relax and enjoy in the warm atmosphere. We welcome any participants regardless of knowing or not knowing how to drink tea properly.

For students, we prepared a 'student ticket.' (high school and below)

Please bring all your friends and family to share the peaceful moment of spring surrounded by cherry blossoms.
